The biennial Monaco Historic Grand Prix is run on the famous Formula 1 circuit with classic Grand Prix cars from the 1940s to 1980s. With a seated grandstand ticket for final race day, access to cars and drivers in the paddock, direct Eurostar travel to the Mediterranean coast, excursions to Portofino, San Remo and Dolceacqua, and free drinks at the hotel every night, you can expect a Grand experience.

The 12th Monaco Historic Grand Prix

This motor racing extravaganza, celebrating its 12th edition in 2020, is run on the famous Formula 1 course with rare and famous Grand Prix cars dating from the 1940s to 1980s. In contrast to its modern day counterpart, held two weeks later, the Grand Prix de Monaco Historique is far more relaxed, friendlier and accessible. You can get close to cars and drivers on a stroll through the paddock – definitely off limits at the F1 GP, and you'll have plenty of elbow room in the grandstand too – we include a seated ticket on final race day. Many of our clients have visited both events, but none were interested in going back to the future – the historique event was their overwhelming favourite.
