

Casino Square Monaco

5 Days from £1599pp

The Monaco Historic Grand Prix is run on the famous formula 1 circuit with classic Grand Prix cars from the 1940s to 1980s. Your two day grandstand seated ticket for practise and race days also gives access to cars and drivers in the harbour side paddock. Fly to Nice, or experience upgraded, escorted travel on Eurostar and TGV trains, stay in Beausoleil on the Monaco border, just 10 minutes stroll from Casino Square, and enjoy an included helicopter flight over the principality

The 13th Monaco Historic Grand Prix

This motor racing extravaganza, celebrating its 13th edition in 2022, features several short races with cars from each era competing to their limits. In contrast to its modern day counterpart, held a few weeks later, the Grand Prix de Monaco Historique is far more relaxed, friendlier and accessible. Many of our clients have visited both events, but none were interested in going back to the future - the historique event is their overwhelming favourite.

The Grandstand (reserved seat included) is covered and faces inland overlooking the track and pit lane (not in use) near the famous Rascasse corner. This stand has access* to cars and drivers in the harbourside paddock – definitely off limits at the F1 GP. Alternatively, have a Grandstand ticket for Saturday's practise and for Sunday's races upgrade to stand K (£40pp extra). Pictured below, stand K overlooks the harbour with views of the cars racing around the harbour after exiting the tunnel. *Grandstand paddock access is subject to racing schedule and any additional security measures in place on the day.
