Monaco GP Stand K

Free Drinks

7 Days from £1499pp

The Monaco Historic Grand Prix is run on the famous Formula 1 circuit with classic Grand Prix cars from the 1940s to 1980s. With a seated grandstand ticket for practise and final race days, access to cars and drivers in the paddock, excursions to San Remo and Dolceacqua, free drinks every night at the 4* Parigi Hotel on the Italian Riviera near Monaco, and a choice of rail or air travel, this will be a grand experience.

The 13th Monaco Historic Grand Prix

This motor racing extravaganza, celebrating its 13th edition in 2022, features several short races with cars from each era competing to their limits. In contrast to its modern day counterpart, held a few weeks later, the Grand Prix de Monaco Historique is far more relaxed, friendlier and accessible. Many of our clients have visited both events, but none were interested in going back to the future - the historiquie event is their overwhelming favourite.

The Grandstand (reserved seat included) has covered seating and faces inland overlooking the track and pit lane (not in use) near the famous Rascasse corner. This stand has access* to cars and drivers in the harbourside paddock - definitely off limits at the F1 GP. Alternatively, have a Grandstand ticket for Saturday's practise and for Sunday's races upgrade to stand K (£40pp extra). Pictured above, stand K overlooks the harbour with views of the cars racing around the harbour after exiting the tunnel. *Grandstand paddock access is subject to racing schedule and any additional security measures in place on the day.
